MOVING FORWARD

GUIDE 3 – JUST DO IT

BIG IDEAS

The Bible paints a picture of your best future.
Reading the Bible allows you to see how your life is extraordinary, even if at times it feels ordinary.

God will show me things to do, my part is to Just Do It!

APPLICATION

What is the biggest hurdle you face in reading the Bible?
Based on what I read in the Bible, what is my next step?

RESOURCE

When God speaks to me through the Bible I need to take a step. The best way to put things in motion is to use the two P's. Taking the next step will always be Personal and Practical.

PERSONAL – **I can't control anyone else. When God speaks to me it is about what He wants for me, what I need to do, what I need to know or how I need to change.**

PRACTICAL – **Who do I need to ask for forgiveness, What person should I encourage, How should I pray, What should I give? Who can I invite?**

It about taking meaningful action not simply agreeing with what God says. What ever God is showing me I need to take personal and practical action.
